

Always Encouraging

Standing is a great way to improve your child's outlook on the world and their physical development.

Improves blood pressure & circulation

Aids respiration & speech

Helps digestion, bowel & bladder emptying

Helps relieve pressure created during sitting

Encourages bone & muscle development

Supports pelvis, thighs & feet so children can join in everyday activity

Gives a new perspective and ways to participate

Provides opportunities to increase social skills

Children also gain huge psychological advantages from standing, as well as those important physical and development benefits.
