Always Supportive

Therapy programs using a range of equipment can improve your child’s outlook on the world and benefit them in a variety of ways.

- Encourages balance and muscle development
- Helps digestion, bowel & bladder emptying
- Assists freedom to explore and be creative
- Provides opportunities to increase social skills
- Aids postural control and stability
- Assists activity and functionality
- Provides rest and relaxation, minimising fatigue
- Provides a new perspective and ways to participate

Children gain huge psychological and physical benefits from therapy programmes, using equipment that can aid physical, social and developmental improvements.
