

Assembly / Production Operative

£9.05 - £9.86 per hour + Westfield Health + Benefits

40 hours per week: Monday – Thursday 7:00 – 16:00, Friday 7:00 – 13:00

Jenx Limited design and build products which are dedicated to supporting the postural needs of children with a wide range of disabilities. Our mission is to enable each and every child to have the best possible opportunity of a functional, pain-free future. To work in partnership with the people who matter to make our society a better place for those with disabilities. To make a positive difference to our communities, by staying true to our vision and values and being an outstanding employer.

Due to continued growth and we now have an opportunity for a reliable, organised and committed person to join our dedicated manufacturing facility based in Sheffield. The successful candidate would ideally have experience in a similar role and will receive process & product training.

Key responsibilities

The job is 'hands-on' with assembling products, working accurately and efficiently, ensuring customer delight and company excellence. This includes:

Assembling full products, part products and accessories to a high standard of quality using various power tools

Following technical drawings and instructions

Undertaking safety, quality and functional checks

Working efficiently in a lean manufacturing environment

About you

With prior experience in a similar role and / or transferable skills, you will be a committed and motivated individual, able to follow instructions and work well as well as part of a team where everybody's contribution is essential to our success.

You are enthusiastic about work and have a positive 'can do' attitude, with adaptability to learn different work areas and manufacturing functions.

A practical and dexterous individual, you will demonstrate good aptitude for 'hands on' work and the use of hand tools. Good spatial awareness and reasoning skills. Some heavy lifting required.

You will be accurate, efficient, an excellent organiser of yourself and your work, able to work to deadlines, keen to learn new things with a flexible attitude to work.

You will have excellent reliability as a team member, committed to excellent levels of punctuality, attendance and getting along well with colleagues.

Sufficient numeracy and literacy skills are required to be able to follow Health & Safety and assembly instructions.

What we can offer you

Our work really does change young lives for the better and we stay true to our values in everything we do: Always Supportive; Always Caring; Always Safe; Always Ethical; Always Encouraging.

In addition to a competitive salary, we offer a great range of benefits & training opportunities tailored around our core values and designed to help you reach your full potential whilst feeling truly valued and appreciated for the work that you do.

As an Investors in People Silver accredited employer, we aim to provide an environment where our colleagues play an active part in the growth of our business. We offer a challenging but supportive environment where talented people can really grow and be proud of their contribution to the important work that we do.

We are proud to have a people-focused culture. Charity and social activities play an active part in our working lives and we are proud to be a responsible corporate citizen. It all contributes to creating a working environment which is friendly, supportive and encouraging. Check out our Facebook page to find out what the team have been up to recently!

We are an Equal Opportunities employer and are committed to the Disability Confident employer's scheme. We will review your application based solely on your skills, experience and potential.

How to apply

To apply please send your CV to the HR Department at hr@jenx.com or contact us for an application form.

This is not a sponsored post and therefore you must have the right to work in the UK.
